NEWSLETTER EDITOR: JUDY RIDDLE

PRESIDENT'S MESSAGE

I'm in Seventh Heaven as I am on my way to visit the "cutest baby in the world", also known as my grandson. He'll be 14 months old the day I land. We are going to work on walking and learning to swim!

I'm excited that we have almost all our positions filled within the Guild. We still need someone to Chair Festival of the Trees. There are several people willing to help. We also need someone to help with the 2019 Challenge show and maybe another person to help with hospitality.

Judy and I went through the storage of sales items and weaned out a few commercially made items. She is busy creating an inventory list for our use in both sales, AIR and FOT. I want to encourage you to come to our workshops. Bring your machine and a project, or we will have projects available. Workshops are the second Friday, each month (except July), upstairs at Gualala Arts. We have the room from 10 am until 3 pm. Bring a lunch and enjoy.

I've decided that this is my year to complete my UFO's. I have a quilt top that my dad's mother made in the 40's that needs to be sandwiched and quilted, all the pieces made in the "Circles" class have been made (20 of them) and need the block placement planned, then sewing, etc. My challenge quilt is in my head and a prototype square was made at the retreat. I'm going to get to work on that one first, since there is actually a deadline for its completion.

Happy Quilting!

Mixing Quilt Elements, by Kathy Doughty of Material Obsession. Order this book ahead, it is available on Amazon or you could order now at the Four Eyed Frog. Diane will bring a few books for you last minute people. NOTE: supply requirements indicate "see page 38 of her book". Diane has been teaching this class at Quilter's Corner in Sacramento.

The idea of this class is to learn how to mix wedge piecing, applique, and English Paper Piecing, to create a whimsical and colorful quilt.

Diane will focus on her method of creating the applique Bird Blocks using Wash-Away Applique sheets (available at the Loft). You could also fuse these or needle turn them whatever you choose! You will need a sewing machine for this class. You will be able to use small amounts of fabric to create 1 to 2 Bird blocks in the class. Sign up early, if the class is not full 10 days before we will advertise to the other local quilt groups.

2018 CHALLENGE

IT's a Journey! It's a Challenge!

Have *you* started your Challenge Quilt yet? Or your second piece? Make a big one, make a little one, make several! We want to display all forms – large pieces, wall quilts, mini-quilts & post cards too.

The **theme is "Journey."** Inspiration may come from travel, a life experience, an accomplishment, a dream..... Your interpretation can be represented in a traditional quilt, a modern quilt, an art quilt. Have fun!!!! Use your imagination!!!!

There is no size limitation but your piece must include a specific piece of fabric: 5 square inches of Quilted Treasures Scrollscape in Indigo – available from Carole Garcia or purchase larger amounts from the Loft. Must be identifiable in the front of the quilt; it may be cut into small pieces, pieced into the quilt top, appliqued or fused, incorporated in embellishment or used in the border; We would also like to promote mini-quilts so requirements for smaller quilts: Fat quarter size or smaller, minimum of this blue fabric must be 3 square inches. If really small – postcard size (or 4"x6") or smaller 1 ½ sq inches will do.

The Challenge show, as usual, will be held at Gualala Arts -- opening is the evening of Friday October 5, 2018. The show will run 6 weeks. Quilt submission is Wed. October 3; hanging is Thursday October 4. **Entry forms are expected to be available by mid-April; due back to Gualala Arts no later than September 21, 2018.**

Please contact us if you have questions.

YOU ARE INVITED TO
“come play with us”!!!

We will be meeting to make items for Art in the Redwoods and Festival of Trees on the second Friday of each month, from 10AM until 3PM, Gualala Arts Center, upstairs. Bring your own lunch.

Projects will be pre-planned, however, you are welcome to come sew with us to make your own items for AIR & FOT. After taking inventory of the items in storage there is a strong need for more potholders and more quilts. If you choose to work on our planned projects, you will be given instructions and possibly fabric, or we may ask you to bring certain items for the project. This will be a work day to complete detailed items specifically for these two sales. Roll up your sleeves, bring your seat cushion and back support, and be ready to put the pedal to the floor. We will be productive!

Bring your sewing machine, sewing tools and a neutral colored thread (off white and/or gray). This note is to give you a heads up so you can plan for the time to “come play with us” the second Friday of each month. Next workday is Friday, April 13 at 10 AM.
